

I.

*It is late.
When will you go away?*

To morrow.

*Is there any danger upon the high way?
Any highway men in the moors?*

*There is greater danger in the woods
of the heart.
Will you go along with me?*

*Sir
Dear sir
if distance befits you,
I shall wait on you*

*wherever you please.
Let us go
Let us go*

to night.

He tarde.
Quando haveis de partir?

Amanhã.

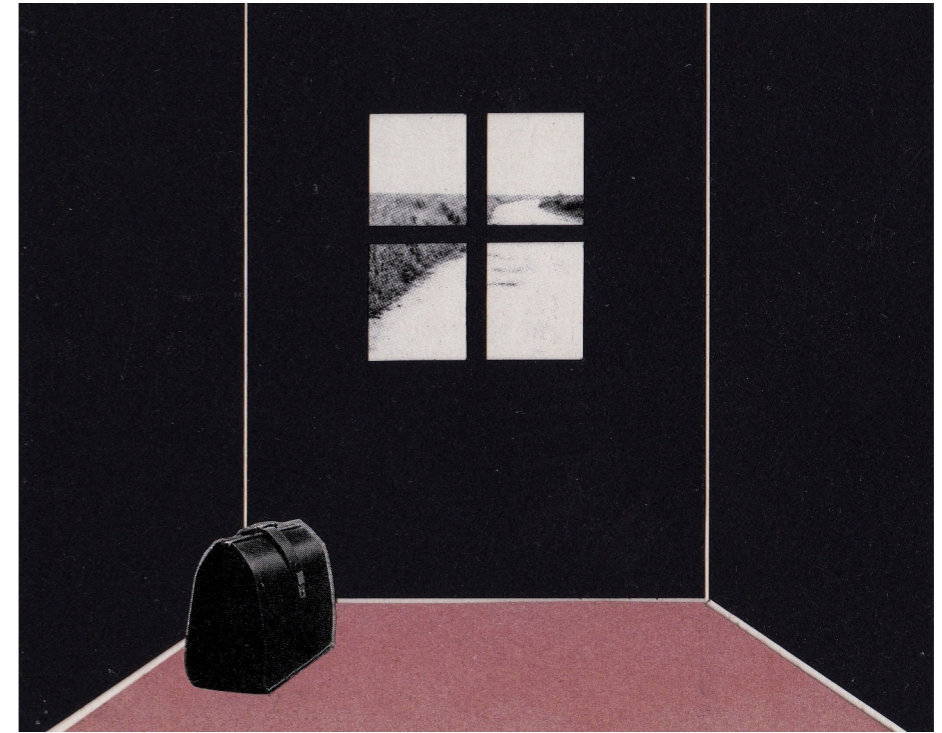

Ha perigo na estrada real?
Ha ladroes na charneca?

Maior perigo ha nos bosques
do coração.
Quereis ir comigo?

Senhor
Rico senhor
se a distância vos compete,
eu vos acompanho

aonde quizerdes.
Partamos
Partamos

esta noite.
